1. Background experience and interests. Please indicate past volunteer or paid involvement with community, civic, or social groups that pertain to this position. Resumes may be attached to this application:

I have been a member of the Del Norte Solid Waste Task Force for 3 years; I regularly participate in the Klamath River clean up, and have participated in other beach clean ups, including the one after the tsunami in 2011; I have served on the DNACA board as a member and also as secretary, vice president, and president. Financial oversight was part of this. I have been on the board of St. Paul's Episcopal Church for several years. This position has also required financial oversight, review of budgets, profit and loss statements, etc.

2. Current Employment: **member services specialist at Del Norte Community Health Center**

3. Employment experience pertinent to this position (please feel free to attach a resume):

Spanish teacher at Del Norte High School 2000-2012 and at College of the Redwoods 2009 to 2012; Social Security Administration claims representative 1976 to 1999. All these jobs have allowed me to get to know a very wide variety of people in this community—all income levels, age groups, ethnic backgrounds. I also analyzed and understood complex rules and regulations and took appropriate action to comply with them. It was also important for me to communicate clearly and effectively with people of different educational levels and backgrounds. In the 80's my first husband and I owned a small neighborhood market where I served customers, kept the books at first, and prepared the

taxes. Later we owned a restaurant where I sometimes filled in as a waitperson and continued to prepare the taxes, although we did have a bookkeeper by then.

4. Education. Indicate the highest grade level achieved and any schooling that may be pertinent to this position, including any certificates or specialized training:

I graduated summa cum laude from the University of California at Davis in 1969 with a major in Spanish and a minor in English. I have a standard elementary credential and a single subject credential for teaching high school Spanish. I am a licensed lay preacher and worship leader with experience speaking to groups.

5. Why are you interested in this position? Please indicate the number of hours per month/week that you can commit to this position:

I have been passionately committed to waste reduction and recycling for as long as I can remember. It has been an honor and a pleasure to serve on the task force and I have learned a lot there. I believe that experience could be useful as a board member.

I would expect to attend all board meetings and spend whatever time is necessary to come well prepared.

6. Regular meetings of the Del Norte Solid Waste Management Authority are scheduled for the third Tuesday of each month starting at 3:30 PM. Could you attend monthly meetings at that time? Yes
